

§ 2.1300 Scope of subpart M.

This subpart governs requests for, and procedures for conducting, hearings on any application for the direct or indirect transfer of control of an NRC license which transfer requires prior approval of the NRC under the Commission's regulations, governing statutes, or pursuant to a license condition. This subpart is to provide the only mechanism for requesting hearings on license transfer requests, unless contrary case specific orders are issued by the Commission.

§ 2.1301 Public notice of receipt of a license transfer application.

(a) The Commission will notice the receipt of each application for direct or indirect transfer of a specific NRC license by placing a copy of the application in the NRC Public Document Room.

(b) The Commission will also publish in the FEDERAL REGISTER a notice of receipt of an application for approval of a license transfer involving 10 CFR part 50 and part 52 licenses, major fuel cycle facility licenses issued under part 70, or part 72 licenses. This notice constitutes the notice required by § 2.105 with respect to all matters related to the application requiring NRC approval.

(c) Periodic lists of applications received may be obtained upon request addressed to the Public Document Room, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001.

§ 2.1302 Notice of withdrawal of an application.

The Commission will notice the withdrawal of an application by publishing the notice of withdrawal in the same manner as the notice of receipt of the application was published under § 2.1301.

§ 2.1303 Availability of documents in the Public Document Room.

Unless exempt from disclosure under part 9 of this chapter, the following documents pertaining to each application for a license transfer requiring Commission approval will be placed in the Public Document Room when available:

(a) The license transfer application and any associated requests;

(b) Commission correspondence with the applicant or licensee related to the application;

(c) FEDERAL REGISTER notices;

(d) The NRC staff Safety Evaluation Report (SER).

(e) Any NRC staff order which acts on the license transfer application; and

(f) If a hearing is held, the hearing record and decision.

§ 2.1304 Hearing procedures.

The procedures in this subpart will constitute the exclusive basis for hearings on license transfer applications for all NRC specific licenses.

§ 2.1305 Written comments.

(a) As an alternative to requests for hearings and petitions to intervene, persons may submit written comments regarding license transfer applications. The Commission will consider and, if appropriate, respond to these comments, but these comments do not otherwise constitute part of the decisional record.

(b) These comments should be submitted within 30 days after public notice of receipt of the application and addressed to the Secretary, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, Attention: Rulemakings and Adjudications Staff.

(c) The Commission will provide the applicant with a copy of the comments. Any response the applicant chooses to make to the comments must be submitted within 10 days of service of the comments on the applicant. Such responses do not constitute part of the decisional record.

§ 2.1306 Hearing request or intervention petition.

(a) Any person whose interest may be affected by the Commission's action on the application may request a hearing or petition for leave to intervene on a license application for approval of a direct or indirect transfer of a specific license.

(b) Hearing requests and intervention petitions must—

(1) State the name, address, and telephone number of the requestor or petitioner;

(2) Set forth the issues sought to be raised and

(i) Demonstrate that such issues are within the scope of the proceeding on the license transfer application,

(ii) Demonstrate that such issues are relevant to the findings the NRC must make to grant the application for license transfer,

(iii) Provide a concise statement of the alleged facts or expert opinions which support the petitioner's position on the issues and on which the petitioner intends to rely at hearing, together with references to the specific sources and documents on which the petitioner intends to rely to support its position on the issues, and

(iv) Provide sufficient information to show that a genuine dispute exists with the applicant on a material issue of law or fact;

(3) Specify both the facts pertaining to the petitioner's interest and how the interest may be affected, with particular reference to the factors in § 2.1308(a);

(4) Be served on both the applicant and the NRC Office of the Secretary by any of the methods for service specified in § 2.1313.

(c) Hearing requests and intervention petitions will be considered timely only if filed not later than:

(1) 20 days after notice of receipt is published in the FEDERAL REGISTER, for those applications published in the FEDERAL REGISTER;

(2) 45 days after notice of receipt is placed in the Public Document Room for all other applications; or

(3) Such other time as may be provided by the Commission.

§ 2.1307 Answers and replies.

(a) Unless otherwise specified by the Commission, an answer to a hearing request or intervention petition may be filed within 10 days after the request or petition has been served.

(b) Unless otherwise specified by the Commission, a reply to an answer may be filed within 5 days after service of that answer.

(c) Answers and replies should address the factors in § 2.1308.

§ 2.1308 Commission action on a hearing request or intervention petition.

(a) In considering a hearing request or intervention petition on an application for a transfer of an NRC license, the Commission will consider:

(1) The nature of the Petitioner's alleged interest;

(2) Whether that interest will be affected by an approval or denial of the application for transfer;

(3) The possible effect of an order granting the request for license transfer on that interest, including whether the relief requested is within the Commission's authority, and, if so, whether granting the relief requested would redress the alleged injury; and

(4) Whether the issues sought to be litigated are—

(i) Within the scope of the proceeding;

(ii) Relevant to the findings the Commission must make to act on the application for license transfer;

(iii) Appropriate for litigation in the proceeding; and

(iv) Adequately supported by the statements, allegations, and documentation required by § 2.1306(b)(2) (iii) and (iv).

(b) Untimely hearing requests or intervention petitions may be denied unless good cause for failure to file on time is established. In reviewing untimely requests or petitions, the Commission will also consider:

(1) The availability of other means by which the requestor's or petitioner's interest will be protected or represented by other participants in a hearing; and

(2) The extent to which the issues will be broadened or final action on the application delayed.

(c) The Commission will deny a request or petition to the extent it pertains solely to matters outside its jurisdiction.

(d)(1) After consideration of the factors covered by paragraphs (a) through (c) of this section, the Commission will issue a notice or order granting or denying a hearing request or intervention petition, designating the issues for any hearing that will be held and designating the Presiding Officer. A notice granting a hearing will be published in
